The Horton Program is an alternative elementary school program for students in grades K-6 who require a highly structured, supportive, and therapeutic environment to achieve success. The main goal of the Horton Program is to assist students in acquiring the necessary skills to manage their emotional and behavioral needs in order to be independently successful within their homes, communities, and least restrictive educational environments.

**45/60 Day Diagnostic Placement**

The Horton Program will work collaboratively with all sending school districts to:

- Monitor and collect data in areas of academic and behavioral growth
- Determine and provide appropriate evaluations
- Provide guidance and behavioral plans for success of student within the least restrictive environment

**The Horton Program:**

*Meets and Addresses a Student’s Emotional Needs:*

- Providing safety, stability, and structure
- Teaching responsibility for one’s actions
- Building self-esteem

Teaches Strategies to Self-Manage, Cope, and Control Behaviors/Emotions:

- Accountability for one’s behavior
- Positive praise and reinforcement
- Daily point sheets including personal goals
- Individual and group counseling with certified school counselor

**Promotes Successful School Achievement:**

- Small group structured instruction
- Incentive strategies
- High interest learning activities
- Lesson plans based on individual learning styles
- Additional IEP based services available.
